

## CPC Marilube Oil CO700 Plus

- CPC Marilube Oil CO700 Plus is slow-speed crosshead diesel engine cylinder lubricants manufactured by high quality paraffinic base oils blended with selected alkaline detergent additives.
- The oil passed MAN B&W 8K90MC-C engine test. MAN B&W company certified the oil for lubricating the full range of two-stroke crosshead engine cylinders.
- Its extreme high TBN can effectively reduce corrosion and wearing of acid sulfides from combusting heavy oils or fuels.
- The oils possess the excellent characteristics of detergency, anti-corrosion, and anti-wear and meet the stringent performance requirements of new-generation high-power crosshead engine cylinder oils.
- Packages: (1) in bulk  
(2) 200 liter drum
- The typical data are listed as follow:

Grade No.	CO700 Plus
Sp. Gr., 15.6°C/15.6°C,D4052	0.9325
Viscosity, Kin., cSt @40°C,D445	196.9
@100°C,D445	18.88
Viscosity Index,D2270	108
Pour Point ,°C,D6749	-6
Flash Point ,COC ,°C,D92	260
Base Number, mg KOH/g, D2896	71.0
Product No.	LB54710

Note: Typical properties are based on standard tests under laboratory conditions. Variations that do not affect product performance are to be expected during normal manufacture. Please consult your local CPC representative if you have any questions.
